# NASHVILLE

WHERE TO SHOP, WHERE TO EAT, WHERE TO HAVE FUN

**I**n the quaint village of Nashville, just 18 miles east of Bloomington, you will find 200 shops, galleries, and restaurants all within easy walking distance. Spend a day shopping for the holidays. Better yet, spend a weekend and enjoy theater, music, arts workshops, dining, and historic sites.

There's no place quite like it for boutiques, galleries, antiques, artisan studios, handmade furniture, wineries, breweries, an artisan distillery, a tea house, concerts, plays, breathtaking scenery, and great cooking.

In 2013, Nashville won one of only five coveted State of Indiana Designated Art

Destinations. Come see why we are called The Art Colony of the Midwest!

If you are visiting Bloomington, Nashville is easy to find. Just drive east on East 3rd Street and keep going; it will take you right into the heart of town!
